Business Meeting

The meeting was called to order by the Chair, Richard Prystowsky at 12:30 pm.

Approval of Minutes

Minutes of March 4, 2010 meeting were approved following a motion by Dennis Budkowski and a second by Ryan McCall.

Old Business

Paul Unger was unable to attend the meeting today; still trying to confirm his attendance at the May or June meeting.

Operating Manual White Paper

The group working on the white paper met at the HLC conference and is trying to offer solutions, not just raise questions. The group saw Stephanie Davidson and Tom Bordenkircher, who were also attending the conference. Stephanie informed them a draft copy of the operating manual was being forwarded to the Chancellor by May 1.

Dual Enrollment

Concerns were raised how dual enrollment is working. There are still questions on how dual enrollment will be funded—no answers yet. It was suggested that schools that already have AP courses in place are better options for dual enrollment courses.

Articulation and Transfer

Some individuals received an email from OBR with a new policy for articulation and transfer that includes a pay for service agreement. This policy will be reviewed at the next Articulation and Transfer meeting in May.

Next meeting is scheduled for May 13, 2010 at 10:00 a.m. at OBR office.
