

Strategic Plan and OLN Initiatives

Strategic Plan	OLN Projects
Page 52 Associate of Arts/Science at all	The USO degree will have course materials for First Year Experience course that could be used in the new AAA AAS degrees.
Page 52 Integrated course and program network – community colleges sharing programs, sharing courses	Common FYE Course. Common curriculum for degree. Many courses online in OhioLearns! that could be brokered among colleges.
Page 54 Dual admissions	Admission at all four colleges and three universities.
Page 55 GED access	QuickStart to College Lumina program.
Page 56 adult flexible courses/more online	USO Degree, QuickStart to College, OhioLearns! catalog. USO degree allows paying at one college and taking courses at others.
Page 56 ABLE network helps college ready	ABLE is a partner in the QuickStart to College project. ABLE can teach E 4 ME classes.
Page 57 college credit for work	Credit for prior learning in USO degree.
Page 59 Servicemembers Opportunity Colleges	OhioLearns! degrees should be identified as SOC.
Page 60 Lifelong Learning Initiative convenient times and locations	OhioLearns! catalog of online courses.
Page 61 Guarantee Credit transfer	UT, OU and Akron will articulate the full USO degree into three bachelor's degrees.
Page 65 low cost system	USO degree is a low cost path to bachelor's because learner can use prior credit, credit for life experience, courses from four colleges to earn ATS and then articulate directly as a junior to earn bachelor's degree.
Page 67 30 mile promise	USO degree is online and offers more associates to OU and Akron's regional campuses.
Page 74 College Readiness	USO degree uses state cut off scores.
Page 75 Senior to Sophomore	OhioLearns! catalog.
Page 77 reach to non hs completers	E 4 ME Ohio. QuickStart to College.
Page 81 Integrated Tech infrastructure including integrated classes and repository	CRM tools will recruit, apply, and, over time, can tie to a statewide registration and e commerce system. Can currently tie to the OhioLearns! catalog and can tie to the TAClearinghouse. Repository can be created with OhioLINK. OhioLearns! can be redeveloped as k-20 catalog.
Page 81 Common Application	Common app among all four colleges. OLN has purchased technology to create a common application. The USO degree will use this application starting May, 2008.
